2023 Turkey–Syria earthquakes

On 6 February 2023, an earthquake struck southern and central Turkey, and northern and western Syria. It occurred 34 km (21 mi) west of the city of Gaziantep at 04:17 AM TRT (01:17 UTC), with a magnitude of at least Mw 7.8, and a maximum Mercalli intensity of XI (*Extreme*). An unusually strong Mw 7.7 aftershock occurred nine hours after the mainshock, centered 95 km (59 mi) to the north–northeast in Kahramanmaraş Province. There was widespread damage and tens of thousands of fatalities. The mainshock is the strongest earthquake in Turkey since the 1939 Erzincan earthquake, of the same magnitude, together with which it is the second strongest in the history of the country after the 1668 North Anatolia earthquake. The earthquake is the deadliest in Turkey since the 1268 Cilicia earthquake and also the deadliest in Syria since the 1822 Aleppo earthquake. It is one of the strongest earthquakes ever recorded in the Levant and the deadliest earthquake worldwide since the 2010 Haiti earthquake. It was felt as far as Israel, Lebanon, Cyprus, and the Black Sea coast of Turkey.

Kerala Ex Chief Minister Oommen Chandy Airlifted To Bengaluru For Treatment

Chief Minister Oommen Chandy was on Sunday airlifted to a private hospital in Bengaluru, party sources said. Mr Chandy had been admitted to a private hospital in nearby Neyyattinkara for treatment after he was infected with pneumonia.

The Congress veteran, who was taken out of the hospital in a wheelchair, thanked the doctors and staff of the hospital and said there was no basis for the concerns regarding the treatment given to him. "There is no basis for the controversy related to my treatment," Mr. Chandy said in a feeble voice to the media

National Child Development Council observes National Women's day

• SO NEWS DESK

SRINAGAR, FEB 13 - The core committee of National Child Development Council (NCDC), a self-governing national child welfare organization, observed National Women's day on Monday.

The country is celebrating the National Women's Day every year on February 13 to commemorate the birth anniversary of Sarojini Naidu, popularly known as the night-

ingale of India.

The country acknowledges her achievements as an extraordinary leader.

While observing the day, the core members of NCDC remembered unparalleled contribution made by Sarojini Naidu for establishing women's rights in the Indian society.

On the occasion, NCDC Master Trainer, Baba Alexander has said that, "the day being celebrated every year,

but no concrete steps are being taken to address the issues being faced by women."

He said that major steps should be taken by the government to ensure full support for the women, in the form of self-employment, subsidies and other opportunities.

On this day, events and activities are held to honour Sarojini Naidu and to encourage women to take up leadership roles and make their mark in their communities.
