BURRIED MEMORIES

**Which is the most awful
memory you ever had ?
What did you do to erase that
traumatic memory?
And once I heard that-
Some take pills to burry their
harrowing memories deep
under their heart...**

Self-Worth

Self worth is created when child is in gratitude and shows empathy.

When the child is in gratitude for what he has, he will fly like a butterfly without emotional traps.

Once the child knows that he is blessed with lots of things which is just a dream for many..that point he feels self worth. Sharing and caring for a needy gives anyone a thought of Gratitude !!

Let the children experience bare minimum facilities like going to shop by walk, sharing lunch to the needy, using common washrooms etc..

Let the children "Be Himself" ...Knowing his worth from childhood, do help him practising the good.

Let him develop his ability to build peace and inner happiness. Let "Him Be Him"!!!.

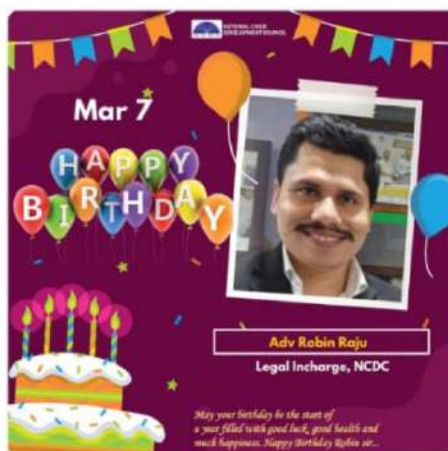

THE GREAT HAIDER ALI THANGAL HAS PASSED AWAY

MEMORY OF BELOVED PANAKKAD HAIDER ALI SHIHAB THANGAL WHO WAS A MODEL OF SIMPLICITY AND EMPATHY. SEEING AND TALKING TO HIM IN PERSON AS PART OF INTERNATIONAL PROCESSION OF HUMAN UNITY ON NOVEMBER 22,2016 STILL REMAINS IN MY MEMORY.THE RESEMBLANCE OF THIS SMILING GREAT MAN WAS THE BEST FOR NIRANAMBAR.

WOMEN'S DAY SPECIAL

A mother-daughter duo created history by becoming the first mother-daughter duo to pilot a commercial plane together. The mother, Captain Suzy Garrett has been flying planes since the last 30 years. She and her daughter, First Officer Donna Garret, shared the cockpit as both of them are currently employed with SkyWest Airlines in the US.

The entire Garret family seems to be passionate about flying as all four them, including Suzy's husband Doug and her son Mark, are pilots too.

For providing such a wonderful class on 'Management'

Shane Warne. The name stands for magic. Our first Royal; a man who made us believe that impossible is just a myth. A leader who walked the walk, talked the talk, and turned underdogs into champions. A mentor who turned everything he touched into gold. We don't have the words to express what we truly feel at the moment, but what we know is that the world is poorer today, as it will now exist without his smile, his brilliance, and his attitude to live life to its fullest. We're completely heartbroken, as are millions of cricket fans all around the world.

Warnie, you're forever going to be our captain, leader, Royal. Rest in peace, legend. ☐
