Reading Habit Among Children

*"One child, one teacher, one book,
one pen can change the world."*

Malala Yousafzai

Reading improves memory and cognitive ability. It's a healthy habit that can help kids in and outside the classroom. Along with that improved brain power comes an improved vocabulary.

To ignite the love for reading, make it enjoyable.

It fires up imagination and stimulates the memory centers of mind. It helps recall information as well as stabilize emotions. The importance of a reading habit is that it strengthens mental muscles.

Kerala school introduces gender neutral uniforms for all students

Valayanchirangara government Lower Primary School, near Perumbavoor in Kerala's Ernakulam district, which has a strength of 754 students, has introduced a new gender neutral uniform for their students — a 3/4th shorts and shirt. The new dress code was planned in 2018 and was introduced in the lower primary section of the school and this academic year, when the schools were reopened after the pandemic induced lockdown, it has been extended to all students.

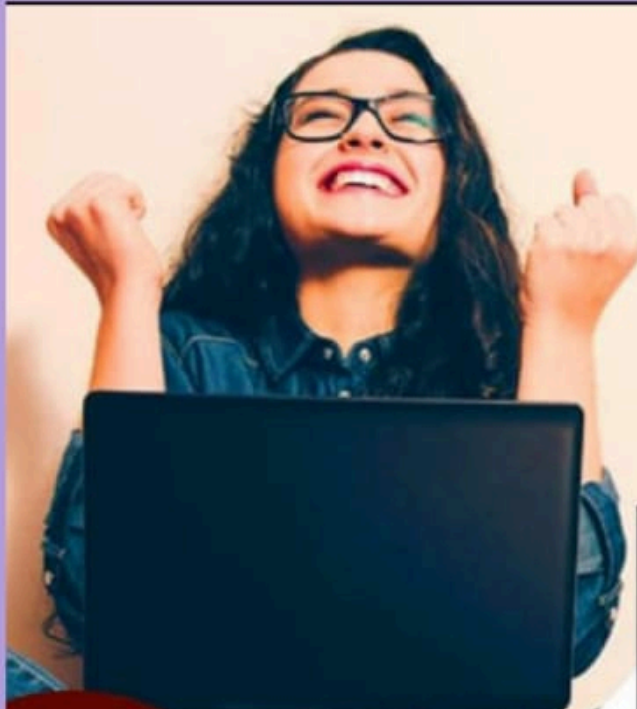

JOHANNESBURG -- Desmond Tutu, South Africa's Nobel Peace Prize-winning icon, an uncompromising foe of apartheid and a modern-day activist for racial justice and LGBT rights, died Sunday at 90. South Africans, world leaders and people around the globe mourned the death of the man viewed as the country's moral conscience.
